Our Revolution MD

Metro DC DSA

- Well-funded schools that allow all students to reach their full potential
- Universal health care, affordable housing, and a living wage
- Public transportation systems that are accessible to all and reduce congestion
- Land use policies that are sustainable, serve residents, and do not overburden our infrastructure
- Energy policies that cut down on fossil fuel use, promote the use of renewables, and fight climate change
- Effective protection against crime stressing prevention, community involvement, and fairness
- Measures that assure a greater voice for all, such as campaign finance and voting reforms
- Fairness and equality for all regardless of race, ethnicity, gender, religion, income, or sexual orientation
